

# ELECTRICAL SAFETY RECALL

## 450mm METAL WALL FAN

### **PRODUCT DESCRIPTION: Brand ROK, Model 150-23-52333**

The product was sold in Queensland, New South Wales, Northern Territory, South Australia, and Victoria between 7<sup>th</sup> September 2021 and 5<sup>th</sup> February 2022.

### **FAULT:**

The product does not comply with the relevant mandatory electrical safety standard with the fan's metallic wall mount section cover not earthed and the pull string for the oscillation on/off switch is incorrectly routed causing mechanical strain/damage to the internal wiring when operated.

### **HAZARD: RISK OF ELECTRIC SHOCK.**

### **ACTION REQUIRED:**

Customer should disconnect and stop using the fan immediately. Affected customers should return the fan to the point of purchase for a full refund.
